

ORCHIDCARE

*personalised care for you*

## **Mental Health Diagnosis**

Our care workers are highly trained and have an extensive knowledge of many different areas of learning disability. These include:

(a) Behaviours that challenge. (b) Autistic spectrum disorders. (c) Complex health needs communication difficulties or sensory impairment.

If you would like more information about our services and how we can support you or your loved one, please contact your local branch who will be happy to assist.
